MEETING NOTE

Meeting: Winchester City Council and National Highways
Attendees: Adrian Fox and Toby Ayling WCC and Letty Askew National Highways

Date: 21 October 2026
Time: 15:30

Purpose of Meeting

To discuss the National Highways response to the recent WCC Local Plan Scoping Report consultation, points arising and next steps.

Key Discussion Points

- National Highways expectations regarding future modelling and use of the SRTM.
- Forthcoming Plan-making guidance for transport.
- Developing transport evidence as options for growth emerge.

Outcome and Next Steps

- National Highways to consider and advise the scope of any work required to address the time passed since the SRTM was last validated.
- National Highways to consider and advise if there are any vision led transport assessments it would recommend WCC look at
- WCC to consider how discuss next steps of plan production with both National Highways and Hampshire County Council as Highway Authority.
