South Wonston	2	Table page 483
Sutton Scotney	0	Table page 491
Waltham Chase	9	Table page 497
Total Market Towns Rural Area Settlements	832	

The following pages set out the details of each of the schemes which make up the total number of dwellings (and, in the case of communal accommodation, the equivalent number of dwellings). Permissions are monitored by Hampshire County Council Land Supply Team. The monitoring data includes a breakdown for each scheme, showing how many flats and houses, and how many bedrooms, the new properties have. For that reason, some schemes appear more than once in each year.
